OBJECTIVE

I am a motivated computer engineer seeking opportunities to continuously enhance my skills, learn new technologies, gain valuable experience, and tackle challenges as opportunities for growth. I am eager to apply my technical knowledge, problem-solving abilities, and analytical thinking in a dynamic environment. Dedicated to making meaningful contributions to the projects I work on and to the success of the organization.

PROFESSIONAL EXPERIENCE

Information and Communication Technology Support Intern

Feb. 2024 - Apr. 2024

Batangas State University The National Engineering University ARASOF - Nasugbu Campus

- Participated in the inventory of school equipment, including computers, routers, and printers.
 - Assisted with the installation of internet infrastructure, including fiber optics, ethernet cables, access points, and router configuration.
 - Performed printer setup, driver installation, and troubleshooting issues.
 - Conducted computer maintenance tasks such as system troubleshooting, cleaning, operating system installations, computer upgrades, and software updates.
 - Provided on-site support to fellow students in the ICT lab by guiding them in computer usage and addressing their inquiries.
-

EDUCATION

Bachelor of Science in Computer Engineering

2020 - 2024

Batangas State University The National Engineering University ARASOF - Nasugbu Campus

Honors: Cum Laude

Science, Technology, Engineering, and Mathematics (STEM)

2018 - 2020

STI College Balayan

SKILLS

Technical Skills

- **Programming Languages:** C, C++, C#, Java, Python, Kotlin, Go, Visual Basic
- **Web Development:** HTML, CSS, JavaScript, PHP
- **Database:** SQL, MySQL, MariaDB, Relational Database, RDBMS, database design, MySQL Workbench
- **Version Control:** Git, GitHub
- **IDE's:** Visual Studio Code, Visual Studio, Code::Blocks, Netbeans, IntelliJ IDEA, Pycharm

Soft Skills

- Problem Solving
 - Adaptability
 - Attention to details
 - Teamwork or Collaboration
-

ACHIEVEMENTS

- **Programming Competition Recognition:** Achieved a top 11 position in the National IT Skills Competition—Elimination Round, showcasing proficiency in C++ programming on May 9, 2023.
- **Programming Competition Participation:** Received a certificate of participation in the National IT Skills Competition—Final Round, showcasing proficiency in C++ programming on May 26, 2023.
